Commander's Corner

Hope this finds everyone in good health. We had a benefit breakfast for Chief Keys and it was very successful we raised \$560 dollars which Tom and I delivered that same day. He was very grateful and sends his thanks to everybody.

Smoke eaters have been shipped so we are waiting for them hopefully to be installed 1st or 2nd week of April.

Now for the very bad news, we will be losing a very important person that is a big asset to our post which is Tom Skelley and his family, they sure will be missed. He is going to be a very hard person to replace. My best wishes to them.

There are a lot of things that we can successfully do as a family we are really trying to cut our expenses as far as bar inventory so please bear with us.

If anybody has any questions or any concerns of what we are doing please feel free to give me a call my number is 241-1549. There is no dumb question but the question not asked.

My hats off to everyone in our post that makes it a successful post. And I might sound like a broken record but, when you have three different type of groups that get tighter in different times that really brings down the moral and makes a non-successful post. So if we all stick together as a whole and anything that you have to say bring it into the meetings were we can solve the problems together.

Let's keep our sick in our prayers thank you.

Thank You

FOR GOD AND COUNTRY

From the Auxiliary President

Hello Ladies!

Auxiliary Ladies of Post 598 you should have received your membership cards by now. Please let Nita, our membership chairperson know if you have not received it. We still have some outstanding memberships, please stop by the Legion and pay your dues or mail in your renewal.

Watch the board for information about the Chili Cook Off coming soon! We will be having a meeting on Monday April 6th at 7pm. I would like to have a potluck at the meeting, bring an appetizer or dessert. I will be doing a door prize again this month. A big thank you goes out to Diana who donated a necklace at our last meeting for the door prize.

We have community service the 2nd Saturday and Sunday of every month at the Legion; please let me know if you can volunteer to do a weekend. You have to be there at 8am on both days to open the Legion.

Don't forget to keep collecting box tops for our area schools, milk caps, coupons to send overseas and tabs for the Ronald McDonald House in El Paso.

Thank you for your continued support!

SAL's Scoop...

Gentlemen,

Friends and family of Post 598; as many of you know, the Skelley family's time in Horizon City is coming to a close. Amy has accepted a new position in Columbia, SC and we will be moving sometime in June. We wanted to take this opportunity to thank each and every one of you for the love and support over the last 7 years. You all welcomed us with open arms and made us feel right at home. The friends that we have made here are as dear to us as any! We will miss you all.

That being said, Squadron 598 will hold its' election of officers at our general membership meeting on Friday, May 16th. Please consider running for a position.

As of the printing of this newsletter, the brand new smoke eaters should be in route or already have been delivered. Who is going to help with the installation? The more volunteers we get, the easier it will be! Watch the whiteboard for more details.

Speaking of volunteers, my hat is off with a HUGE "Thank You" to everyone that helped with the breakfast for Chief Keys. With your help and the support of our members and the community, the family of Post 598 raised over \$500.00 to help Alan through his battle with leukemia.

The "Queen of Hearts" has been found!!!
Congratulations to Javier who pocketed close to \$400.00. The new pot was started at \$100.00, so support your Post and get your tickets because the next winner may be YOU!

This month's SALute goes out to Patrick, Candy, Tony, Amista, Shadow, Brenda, Eva, Sauceman, Hillbilly and Commander Robert for their hard work that made our fundraiser such a huge success. Thank you again.

Always remember that this is YOUR Post. It needs the support of everyone to succeed.

Keep an eye on the whiteboard and the online calendar for upcoming events. No organization can survive without the support of its members. It all starts with YOU!

As always, please feel free to e-mail me with any questions, comments or ideas at:
